

## Pamphlets, Summaries and Briefings

These offer nontechnical summaries relating to some of my key research areas.

Many further briefings on related themes are available on the STEPS Centre [website](#).

- Uncertainty:** [The Politics of GM Food: risk, science and public trust' – produced by the ESRC Global Environmental Change Programme, 1999](#)
- [Steps into uncertainty – produced by the ESRC Global Environmental Change Programme and Green Alliance, 2000](#)
- Precaution:** [A 'General Framework' for implementing the Precautionary Principle on Food Safety – produced by the Safe Foods Project, 2007](#)
- [A 'General Framework' for implementing the Precautionary Principle in Chemicals Regulation – produced by the PrecauPri Project, 2003](#)
- 'Opening Up':** [New models of technology assessment for development – produced by the STEPS Centre, 2011](#)
- Multicriteria Mapping:** [Pathways in and out of maize: an MCM exercise in Kenya – produced by the STEPS Centre, 2010](#)
- [A large scale multicriteria mapping exercise looking at options for obesity policy in Europe – produced by the PorGrow Project, 2006](#)
- [A pioneering deliberative form of multicriteria mapping looking at options for addressing 'the Kidney Gap' – produced by the Deliberative Mapping Project, 2003](#)
- [Using the Multi-Criteria Mapping \(MCM\) technique – produced by the Deliberative Mapping Project, 2003](#)
- [A summary of the first multicriteria mapping project, looking at options for sustainable food production – produced by the Rethinking Risk Project, 1999](#)

**Deliberative Mapping:** [Opportunities and challenges for involving citizens in decision making – produced by the Deliberative Mapping Project, 2003](#)

[The Deliberative Mapping approach – produced by the Deliberative Mapping Project, 2003](#)

[Deliberative Mapping in practice: the ‘kidney gap’ – produced by the Deliberative Mapping Project, 2003](#)

[Citizens’ panels in Deliberative Mapping: a user guide – produced by the Deliberative Mapping Project, 2003](#)

[Using the Multi-Criteria Mapping \(MCM\) technique – produced by the Deliberative Mapping Project, 2003](#)

**Innovation Pathways:** [A New Manifesto on Innovation, Sustainability and Development – produced by the STEPS Centre, 2010](#)

[Outline of the STEPS Centre ‘pathways’ approach – produced by the STEPS Centre, 2010](#)

[A view of ‘Deliberate Futures’, looking at precaution and progress in technology choice – produced by the Sustainable Development Research Network, 2005](#)
